6 UNITED STATES DISTRICT COURT

7 DISTRICT OF NEVADA

8 * * * * *

9 UNITED STATES OF AMERICA,

10 Plaintiff,

3:06-cr-00063-LRH-RAM

11 v.

ORDER

12 RODNEY LAUDERDALE,

13 Defendant.
14

15 Before the court is petitioner Rodney Lauderdale's motion to withdraw (ECF No. 48) his
16 motion to vacate, set aside, or correct his sentence pursuant to 28 U.S.C. § 2255 (ECF Nos. 43,
17 45¹). The United States responded in opposition (ECF No. 49), to which Lauderdale replied
18 (ECF No. 50).

19 As an initial matter, the court is unconvinced that FRCP 41 is the correct procedural
20 mechanism for a petitioner voluntarily withdrawing a section 2255 motion. By referring to the
21 dismissal of an *action*, it is clear that FRCP 41 contemplates a plaintiff voluntarily withdrawing
22 his entire suit. 9 Charles Alan Wright & Arthur R. Miller, *Federal Practice and Procedure*
23 § 2362 (3d ed.). While some courts have concluded that the rule also extends to partially
24 withdrawing an action (e.g., voluntarily dismissing only some of the causes of actions), *see id.*,
25 Lauderdale has not cited any authority holding that FRCP 41 applies to voluntarily withdrawing
26 an individual *motion*. Nonetheless, the rule's likely inapplicability to section 2255 motions does

27 ¹ Pursuant to this District's Amended General Order on April 27, 2016, Lauderdale filed an
28 "abridged" motion to vacate in order to toll the statute of limitations under section 2255. He
subsequently filed a timely full motion to vacate.

1 not preclude a petitioner from withdrawing his motion; parties routinely seek to withdraw
2 various kinds of motions they file during the course of both civil and criminal litigation, and it is
3 within the court's discretion to allow a motion's withdrawal.

4 The court will exercise that discretion and allow Lauderdale to withdraw his section 2255
5 motion. In granting this motion to withdraw, the court makes no determination as to whether a
6 new section 2255 motion that Lauderdale potentially files in the future would constitute a second
7 or successive motion and therefore require certification from the Ninth Circuit Court of Appeals
8 before being filed in U.S. District Court. *See* 28 U.S.C. § 2255(h); *see also Thai v. United States*,
9 391 F.3d 491 (2d Cir. 2004) (discussing the standard other circuits have applied in determining
10 whether a withdrawn section 2255 motion "count[s] as a first [petition] so as to render
11 subsequent petitions 'second or successive' under AEDPA.").

12
13 IT IS THEREFORE ORDERED that petitioner Rodney Lauderdale's motion to withdraw
14 (ECF No. 48) his motion to vacate, set aside, or correct his sentence pursuant to 28 U.S.C. §
15 2255 is **GRANTED**.

16 IT IS THEREFORE ORDERED that Lauderdale's motion to vacate, set aside, or correct
17 his sentence pursuant to 28 U.S.C. § 2255 (ECF No. 45) is **WITHDRAWN**.

18 IT IS THEREFORE ORDERED that Lauderdale's abridged motion to vacate, set aside,
19 or correct his sentence pursuant to 28 U.S.C. § 2255 (ECF No. 43) is **WITHDRAWN**.

20
21 IT IS SO ORDERED.

22 DATED this 13th day of July, 2017.
